MEDICAL BENEFITS

Administered by **CIGNA**

Otero County offers you a choice of two plans: **PPO (Plan A) which covers you and any eligible dependent you choose to enroll and the HDHP (Plan B) which is offered to employees only.** You and your family members may visit any licensed provider but will receive the greatest out-of-pocket savings if you see a network provider. Out-of-network providers may bill you for the difference in the cost of the services and their contracted rate (called balance billing). When you see a network provider, you are protected from balance billing. Your digital ID cards are available at mycigna.com on your computer, tablet or mobile app. Physical ID cards are available upon request through mycigna.com or by calling Customer Service at the number on the back of your ID card.
