

## Colorado WIC Approved Formulas

### Standard Contract Infant Formulas

These formulas will be given unless a physician diagnoses a medical condition that warrants a specialty formula. No prescription is needed for infants. A prescription is needed for adults and children over one year of age and is valid for up to six months.

Enfamil Infant  
Enfamil ProSobee  
Enfamil Gentlease  
Enfamil AR  
Enfamil Reguline

### Specialty Formulas

Medical documentation is required for issuance of these formulas. Reasons such as colic, spitting up, or constipation will NOT be accepted as a substitute for a medical diagnosis.
