

A Lasting Legacy

A Workshop for Farm and Ranch Families

*Please join us for this interactive, fun, and educational workshop.
Past participants found the information invaluable as their families discussed individual legacies and the futures of their farms and ranches.*

Leaving a legacy that everyone can love depends on parents and their adult children being able to bridge the communication gap. It's hard to talk about death and what will happen after a loved one dies, but planning for the passing of a lasting legacy from one generation to the next gives families the opportunity to share their most important beliefs, wishes and lessons learned throughout a lifetime.

In this workshop you will learn about

- * Sharing your values and life lessons with future generations.
- * Gifting your personal possessions having emotional value.
- * Planning for important end-of-life issues.
- * Transferring your finances and real estate.
